Life of Longtime Donor: Cheryl Anstett

Cheryl Anstett started The Cheryl Anstett Scholarship Fund at the Steuben County Community Foundation in 2007. She set up this scholarship for non-traditional students because she understood that not everyone is ready or able to go to college right after high school and she wanted to help give those adults an opportunity, just like she was given an opportunity over 40 years ago. Grant From Pokagon State Park Nature Center Fund

The Pokagon State Park Nature Center Fund was established in January of 1999 by Dorothy Mundinger with an initial gift of $30,000. The purpose of the fund is to provide general operating support to the Pokagon State Park Nature Center. In subsequent years the fund has grown to boast an endowment of over $80,000. The Pokagon State Park Nature Center Fund has granted $25,000 in grants for educational and recreational activities and programs at the Nature Center over the past fifteen years.

In 2015, the Pokagon State Park Nature Center Fund granted $17,700 to the Nature Center to purchase an interactive topographical property map exhibit of Pokagon State Park. This map replaced the older version and it added new trails and the new properties that have been added to the park over the past years.

A Grandfather shows his grandchildren all the trails of Pokagon State Park on a new topographical map made possible through a grant from the Community Foundation.
