FIST: A Search for Better Ways to Improve Steuben

FIST (Forever Improving Steuben Together), is a youth philanthropy group, comprised of the local Steuben county youth. In its history FIST has pumped over \$50,000 into classrooms and school projects, volunteered locally, helped with whatever they can, but the group wants to do more. FIST members have realized that they could be making a bigger impact, but they need to have a better understanding of their peers. [Click Here](#) to read the full article.

SCCF Offering Free Nonprofit Webinars

SCCF is hosting a series of FREE HR webinars. The Foundation purchased these webinars from **Indiana Philanthropy Alliance (IPA)**. IPA developed these webinars for the sole benefit of Nonprofit organizations to increase efficiency and improve HR within their organizations. These webinars are to help you use resources you can access and policies you can implement to effectively manage employees in a small (2-10 employee) nonprofit organization. Beginning February 17, the webinars will take place every other Tuesday at 11:00 AM ET, in the SCCF Board Room. Each webinar will last approximately an hour. The first 15 to register for each event will be given a spot. To register simply email Jacqui Gentile, telling her your name, nonprofit organization and what webinar you'd like to attend (you can attend as many as you'd like).

The webinar hosted on February 17 was the first in a series of six webinars covering Human Resource policies and issues. The webinar held the 17th was an overview of HR and best practices for small/medium non-profits. Zach Kester, presented information on essential and advisable policies for non-profits, employee record retention and best practices. The six participants in attendance were representatives from local non-profit agencies and area businesses. The next webinar will be held on Tuesday March 3rd and will cover applications and interviews.
