IRA Charitable Rollover

Founding foundation board member and longtime donor, Charles R (Chuck) and his wife Ruth Ann (Tusie) Sheets utilize the IRA charitable rollover option to assist with their charitable giving. Chuck says "I truly like the benefit of being able to support many causes through the Steuben County Community Foundation (SCCF). You can create new or support existing endowment funds, or support charitable organizations directly through SCCF. We like to do both. We make sure one check is sent directly to SCCF and it's a very easy process with our financial advisor. We value SCCF's support in helping us give to a variety of things in Steuben County. They cooperate with the charitable purposes close to Tusie and I, and inform us of other things going on in the community we may not know. It's a real

comfortable feeling knowing the money is going to the right place and will be handled correctly. We encourage anyone with a required minimum distribution to consider using SCCF in the process."

Steuben County Community Foundation Passes Audit

SCCF passed an independent audit for the fiscal year ending June 30, 2016. "The foundation takes the responsibility of managing donor's money very seriously," said Kevin Stoy, chairman of the board. "This was confirmed with a third party audit and proves we use every dollar as requested by our donors."
