

## The Steuben County Vocational Education Fund

In 2016, the Steuben County Community Foundation Board of Directors created the Steuben County Vocational Education Fund to provide scholarship assistance to residents of Steuben County seeking a vocational education. This scholarship gives students an opportunity to apply for assistance and focuses on educational opportunities that are not typically a four-year bachelor's degree. For students that are considering vocational or trade school, a certificate program, apprenticeship, skills-building courses for work including computer instruction, a secondary language, etc. - this is the perfect opportunity.

Applications can be submitted at any time. There is a rolling deadline.

The Steuben County Vocational Education Fund is  
held by the Steuben County Community Foundation.
