Keep an eye out for additional funds detailed in SCCF's 2018 Annual Report, to be released later this fall!

OUR QUARTER MILLION DOLLAR SECRET

Did you know grantmaking at the Steuben County Community Foundation is not always done through a competitive application process? Each year SCCF grants over \$250,000 to local nonprofit organizations because our donors have asked us to. These "designated" funds are held in permanent endowments; the principle donation is never touched but each year the earnings are automatically granted to the donor's favorite nonprofit! This year, we felt this typically incognito grant process needed to be celebrated.
