

*The Northeast Indiana Solid Waste
Management District Scholarship
in Honor of Pete Green*

Board members of the Northeast Indiana Solid Waste Management District (NISWMD) established the Northeast Indiana Solid Waste District Scholarship Fund as a life-long memorial to Leland “Pete” Green. It is designed to honor Green’s service to the NISWMD where he was a long-time member. Green cared for his community and took an active role in supporting it.

This scholarship provides assistance to traditional students (high school graduating seniors), non-traditional students (returning back after an absence from high school), or students currently enrolled at TU, who are pursuing a bachelor’s degree at Trine University.
