

The Kylee Anne Simons Scholarship

The Kylee Anne Simons Scholarship was established as a tribute to Kylee by her parents, Nate and Aimee. Kylee is a young lady who wants to help provide the education for teachers that are pursuing a degree, or who have an interest in special education.

Kylee was born in 1985 with Down's syndrome. A graduate of Angola High School, Kylee now resides in a group home in Butler, Indiana. She understands what it means to have teachers who care and will take the time to help students with special needs.

The Kylee Anne Simons Scholarship provides financial assistance to students pursuing a career in teaching with an emphasis on assisting students with special needs.
