

# Celebrate Impact

## A Letter from the President

Thanks to you, 2022 was Steuben County Community Foundation's most impactful year to date - more scholarships, more grants, and more growth!

Your generosity and support made it possible for us to celebrate 30 years of connecting people who care with needs that matter - making Steuben County a better place to live, work, and play.

## Vicky Willis' Legacy

At the December 1st anniversary celebration event, SCCF announced its gift from Vicky Willis, a seasonal Steuben County resident, who passed in August of 2022. Willis maintained a donor-advised fund since 2007, and left the foundation a community-changing gift upon her passing.
