About Us

MISSION+VISION

Mission

Connecting people who care with needs that matter to our community.

Vision

Serving as a community leader and improving the quality of life by assessing, supporting, and coordinating philanthropic giving and endowment building.

The Steuben County Community Foundation (SCCF) is a 501(c)(3) nonprofit organization, incorporated in 1991. As a community foundation, our work is supported by the generosity of forward-thinking donors who believe in the importance of permanence. We do this through building endowments, which are assets that are permanently invested so that the income they generate can support community needs forever. When donors approach us about making a difference in the community, we offer insights into local needs and projects that fit their interests.

In addition to supporting the charitable goals of donors, SCCF works closely with community nonprofits. We offer grant funding and capacity-building support to help them work towards their missions. Additionally, we gather local leaders to have conversations and survey community organizations about their needs. Our organization's timeframe is "forever," which means we are focused on creating long-term impact and supporting community needs as they change with time.

APPROACHES TO GIVING

Cash or Checks

You can mail or drop off a donation at the SCCF office located at 1701 N Wayne St, Angola IN 46703 or use the secure lockbox on the north side of the building. Checks should be written to the Steuben County Community Foundation. You can make a one-time or recurring gift by credit card through SCCF's online donor portal found at www.steubenfoundation.org.

Stocks and Bonds

An individual can make a gift of appreciated stock which allows them to take an income tax deduction and avoid paying capital gains tax. Individuals can also use bonds, but these have different tax rules. Gifts of closely-held securities can also be made with tax benefits to the donor.

Retirement Plan Assets/IRA Charitable Rollover

A retirement plan/IRA charitable gift is a great option for individuals who must take a required minimum distribution from their IRA. They can make a charitable gift using a direct transfer of funds and avoid paying taxes.

Wills and Estates

A gift in a will is a simple and flexible way to give to a meaningful cause, even if an individual cannot make the gift immediately.

Life Insurance Policy

Some people own life insurance policies they no longer need for family security or liquidity. When an individual donates a paid-up life insurance policy, they can deduct the basis of the policy or the replacement value.

Real Estate

When an individual gives appreciated real estate to charity, they may avoid capital gains taxes while deducting the full fair market value of the property as a charitable contribution.

Charitable Gift Annuities

A charitable gift annuity is a popular way for a donor to make a significant gift while securing a series of fixed-income payments.

TYPES OF FUNDS

Endowment Funds

An endowment fund starts with a gift from a donor who wants to support a favorite cause forever. This initial gift is carefully invested, and as it grows, SCCF awards grants or scholarships annually from the earnings according to the donor's wishes. It is an opportunity for you to create a legacy for yourself, your family, and your community. We offer donors the ability to name, contribute, and decide the purpose of the fund. The establishment of a fund is easy, convenient, and inexpensive; it can be done in less time than it takes to open a bank account. We take care of all the administrative tasks, allowing you to focus on being the funds grantmaker.

Non-Permanent Funds

A small percentage of funds at SCCF are considered "non-permanent funds," and these have a slightly different function than endowment funds. Non-permanent funds are sometimes used for community projects, gathering donations on behalf of charitable causes. They can also be used by donors who wish to start a relationship with giving at SCCF. These funds allow you to provide direct support to organizations as well as the permanent funds that are held for their benefit at SCCF. We work closely with donors to tailor a giving vehicle through the foundation that best fits their charitable interests. A non-permanent fund is sometimes the best option for a donor, but the long-term focus of SCCF giving is on permanent endowments.

TYPES OF FUNDS

Unrestricted Funds

These funds are entrusted to the SCCF Board of Directors for distribution. These funds allow for the betterment of Steuben County instantly and in a variety of ways to help keep this county beautiful. One of the benefits of unrestricted funds is that they are flexible, allowing SCCF to react to changing needs in the Steuben County community.

Donor-Advised Funds

These funds are set up by an individual donor or donor family. Each year the donor has the opportunity to advise where fund earnings are granted.

Field of Interest Funds

These funds are designated for specific fields of interest such as the environment, women's issues, or specific geographical areas. The recipient organizations may change year after year.

TYPES OF FUNDS

Designated Funds

These funds are designed at inception to serve a specific beneficiary organization or project. Permanent designated funds provide annual, automatic grants that allow donors to support the organization of their choice forever.

Scholarships

These funds are established by an individual donor, donor family, or group of individuals, often in memory or in honor of a loved one. Each year the earnings are granted as outlined in the fund's agreement through the use of SCCF's scholarship committee.

Operating Endowments

These funds enable SCCF operations to continue in perpetuity, and they allow donors to help us, and themselves, make a deep and meaningful impact in Steuben County forever.

LIST OF FUNDS

About the Funds

SCCF manages more than 230 funds. Each one was created for a unique purpose by a generous donor. In the next several pages, we've listed these funds to show examples of how donors have chosen to support their favorite charitable causes. The opportunities are endless when it comes to making a difference in your community.

A MESSAGE FROM JENNIFER DANIC

SCCF President + CEO

At Steuben County Community Foundation, we like to think of charitable giving as a big puzzle. There are many great nonprofits and community causes that deserve support. They're providing food, shelter, education, support for animals, protection for the environment, and a hundred other services that are vital to Steuben County. At the same time, SCCF works with donors who want to help make a difference in Steuben County. Our goal is to connect these puzzle pieces—the passionate people from organizations across different backgrounds, sectors, and parts of our community. We provide grants, scholarships, nonprofit workshops, and more, to support and empower community leaders as they work toward addressing local challenges.

We created this booklet to celebrate the diversity of causes that people have chosen to support in Steuben County and their commitment to providing support for years to come. If you are passionate about a cause or a nonprofit organization and have questions about establishing an endowment fund, don't hesitate to contact us.
